Passport from Euromonitor International is a global market research database providing statistics, market reports and comment on emerging industry, country and consumer trends.

**Accessing the database**

To access the databases, go to the Sainsbury Library website at [http://www.bodleian.ox.ac.uk/business](http://www.bodleian.ox.ac.uk/business) and click on DATABASES. You will be prompted for your Single Sign-On (SSO).

It can also be accessed on the MySBS intranet at [https://my.sbs.ox.ac.uk/user/login](https://my.sbs.ox.ac.uk/user/login) (for SBS members only).

**Searching the database**

Use the search box to the top right of the webpage to search by keywords.

It’s also possible to browse the database, by using the Search Statistics and Find Analysis fields:
To find industry analysis first select your industry from the drop down list and then your country/region before clicking on GO.

You’ll be given a list of results which can be further refined using the options on the left.
In addition to Industry and country analysis, Passport has a wide range of economic, industry, and demographic statistics which can be browsed through the Search Statistics section.

Viewing and exporting reports and statistics

Reports:

All reports can be saved, printed, and exported.

Statistics:

You can easily navigate between the sections of the report using the hyperlinked table of contents.
All reports can be saved, printed and exported.

Use the links on the left to modify the statistics.
