

UpToDate® Anywhere in Oxford University Hospitals NHS Foundation Trust

Getting started:

In order to gain access to UpToDate Anywhere you will need to first access UpToDate through the Trust intranet and when the registration page appears, register for a new account OR login with your current UpToDate credentials. Once registered, you will have access to UpToDate from any web browser and on up to two mobile devices.

- 1 From the OUH intranet access UpToDate from the link on bottom right hand side of the home page in the “Clinical Resources” section- then click on the “Login/Register” tab in the upper right hand corner of the UpToDate page.
- 2 If you already have an account with UpToDate then log in using your existing credentials.
- 3 To create a new account please register as a new user and create your username and password as shown in the pop up box.

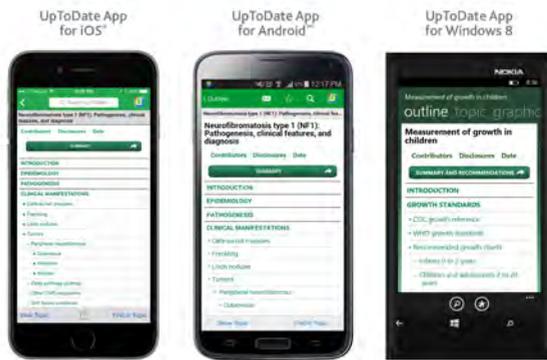

Important: You will use your username and password to access UpToDate from mobile apps and the UpToDate website login. If you have any questions regarding access or would like to request free training on the tool, please contact: hcl-enquiries@bodleian.ox.ac.uk

This is a onetime registration. Once registered, you will receive an email confirmation from UpToDate. To ensure you are logged in correctly check if your name appears in the welcome message at the top of the UpToDate page.

UPTODATE® ANYWHERE MOBILE APPS!

You are now able to download any of our mobile apps on up to two devices:

Go to your respective App Store on your device and download the free UpToDate Mobile App. Once it has downloaded, please use the UpToDate username and password you created during the registration process to log in.

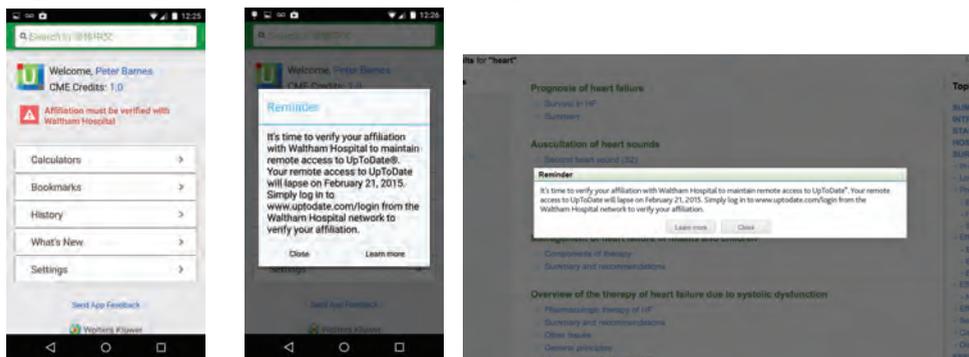

REMOTE-ACCESS to UpToDate:

In addition to the mobile device, with the credentials that you created during the registration process, you can now access UpToDate from any computer with internet access. Simply go www.uptodate.com from any web browser and click the “Log In” button located in the top right corner of the website.

90 Day Re-Verification Required

You need to verify affiliation with OUH to maintain mobile and remote access. Complete verification every 90 days by logging into UpToDate with your username and password via the intranet link from any computer that is connected to the OUH network.

Please Note: In-application & email messaging will inform you of the need to verify affiliation if you have not done so by Day 80. You will receive a second alert at Day 90. If you fail to re-verify by Day 90, you will lose mobile and remote access. To regain access, please complete the re-verification process outlined above.

For more information on how to download the App please go to: <http://www.uptodate.com/home/uptodate-mobile-access>
