

Starting an essay, project or a dissertation?
Keeping up-to-date with the latest research?
Need help in finding research literature?
Want to know about new e-resources?

Make an appointment with your subject consultant for consultations in Physical Sciences, Technology and Mathematics.

Your subject consultant can help you:

- Find **research resources** in your subject area
- Explore **Oxlip+** - electronic resources platform
- Search **research databases** online
- Find e-journals, proceedings, reports ...
- Create your bibliography/reference list
- Manage references** using RefWorks, EndNote...

To make an appointment e-mail Ljilja.Ristic@bodley.ox.ac.uk
or contact RSL Enquiry Desks

Ljilja Ristic MScChem PGDipLIS MCLIP
Physical Sciences Librarian and Subject Consultant
Radcliffe Science Library, Parks Rd, Level 6.
