bioRxiv

bioRxiv (pronounced "bio-archive") is a free online archive and distribution service for unpublished preprints in the life sciences, operated by Cold Spring Harbor Laboratory. bioRxiv enables authors to make their findings immediately available to the scientific community and receive feedback on draft manuscripts before they are submitted to journals. The service is accessed at <http://biorxiv.org>.

THE PREPRINT SERVER FOR BIOLOGY

What's new

- Research Skills Toolkits - 1st week Hilary Term**
 Sessions for MPLS researchers and postgraduates will take place Tuesday 21st January (10am-12pm) and Wednesday 22nd January (2-4pm). Book at <http://www.skillstoolkit.ox.ac.uk/>.
- Open Access survey**
 Thomas Eger and Marc Scheufen of the University of Hamburg are conducting a survey of scholars' experiences of open access publishing. Take the survey at <http://www.equestionnaire.de/?q=10874>
- Term-time opening hours**
 From Saturday 18th January, the RSL will be open Monday to Friday 8.30am to 10pm, Saturday 10am to 4pm and Sunday 11am to 5pm.
- Why is Oxford driving Open Access in Drug Discovery?**
 This talk by Professor Chas Bountra of the Nuffield Department of Medicine takes place Tuesday 28 January 3-4pm at the Medical Sciences Teaching Centre. Book your place at <https://courses.it.ox.ac.uk/detail/TZO03>

Content Mining Workshop

The November [Oxford Open Science](#) meeting brought over 20 researchers together for a 'Content Mining: Scholarly Data Liberation Workshop'. A report and a presentation from Peter Murray-Rust are online at <http://tinyurl.com/ofyygfc>.

Research Data Management: Finding our Role

On 6th December at Keble College, an international audience of library professionals gathered for the Annual Workshop of [IATUL](#) on the theme "Research Data Management: Finding our Role". A packed programme of 12 speakers covered current projects in several countries enabling data deposit and findability. The presentations are now online at www.bodleian.ox.ac.uk/science/RDM-2013. The workshop was followed by carol singing from the **Bodleian Libraries Choir** at the RSL. Many thanks to all our speakers and to all who attended.

Carol singing at the RSL

OXFORD MEDICINE ONLINE

Over 1,500 OUP Online Medical Textbooks Now Available

We are pleased to announce that all members of the

Medical Sciences Division now have access to over 1,500 online medical and health care textbooks from the **Oxford University Press**. Almost 600 medical titles are available via **Oxford Medicine Online** (www.oxfordmedicine.com). A further 939 textbooks in neuroscience, palliative care, psychology, public health and epidemiology are available via **Oxford Handbooks Online** (www.oxfordhandbooks.com) and **Oxford Scholarship Online** (www.oxfordscholarship.com). Also now available are the Public Health and Psychology modules of **Oxford Bibliographies** (www.oxfordbibliographies.com).

[Oxford Medicine Online](#) is an interconnected collection of online medical resources which cover every stage in a medical career, from medical students and junior doctors, to resources for senior doctors and consultants. Key series available via this platform include the [Oxford Textbooks](#), [Oxford Medical Handbooks](#), [Oxford Specialty Training](#) and [Oxford Medical Libraries](#).

All of this content will be available via [SOLO](#) as well as directly from the relevant web pages and is available off-site via your [Single Sign On ID](#).
