Museum lift project

A new external goods lift has been proposed to improve access from the parking area to the underground levels of the RSL. A planning application has been submitted to Oxford City Council and, if approved, construction work is expected to commence in February.

Response to laptop-free zone trial

Last term the RSL trialled a quiet laptop-free room on level 6. Thanks to everyone who gave us feedback. Following positive comments from readers we will continue the laptop-free room.

Research Information Training program 2017

Details of this programme of workshops run by RSL Subject Librarians are now online. Topics covered include finding research information for your subject, Open Access and research impact, and reference management.

For more information, please see www.bodleian.ox.ac.uk/science/training/research-information-training.
