

## End user statement (Theses)

---

Copyright for the items on this site is retained by the individual authors and/or other copyright owners. All material in the Oxford Research Archive is protected by copyright and sometimes by other Intellectual Property Rights. By entering Oxford Research Archive you acknowledge that all Intellectual Property Rights in the Works are the sole and exclusive property of the copyright and/or other IPR holder.

**The copyright of this thesis rests with the author and/or other copyright holder(s) and no quotation from it or information derived from it may be published without the prior consent of the copyright holder.**

A non-exclusive, non-transferable licence is hereby granted to those using or reproducing, in whole or in part, the material for valid, not-for-profit teaching and research purposes, criticism and review providing the consent of the copyright holder has been obtained for publication as detailed above, and providing the copyright owners are acknowledged using the normal academic conventions.

You may not use the material for any profit-making activities or any commercial gain. Some items in ORA are distributed under Creative Commons or other licenses which may allow for further non-commercial use. The extent of the rights reserved and the parties retaining those rights will vary on an item-by-item basis. Users are required to read and comply with the permissions notice on each item in ORA.

Anyone wishing to use material or records sourced from the Oxford Research Archive for any other purpose must contact the copyright holder to seek permission.

Links to materials on other repositories or servers should not be construed as a claim over them.

You may freely distribute the URL (<http://ora.ouls.ox.ac.uk/>) of the Oxford Research Archive website.
