New Books Bulletin 24 – 30 July 2017

The following books have arrived in the Law Library. The list is arranged by publisher.

As the Library had to close for a month to allow for a major refurbishment to take place during the University vacation, it has not been possible to catalogue fully all the new books within the first week of their arrival. Until they have been processed, if you click on the title you will see Week η (17) as the Call Number (& Status will be Relocating). This Call Number will enable staff get the volume for you quickly: they are available for your use, just not yet on open shelves.
