Open Access news

Reminder of Cancer Research UK open access policy

CRUK-funded researchers are reminded that Cancer Research UK has an Open Access policy and is part of the Charity Open Access Fund (COAF). Indications are that last year the open access compliance rate for CRUK-funded researchers at the University of Oxford was only about 60%. The key requirements and procedure are on the Open Access Oxford site (<http://openaccess.ox.ac.uk/wellcome-and-coaf/>).

Act on Acceptance deposits hit 13,000

The 13,000th paper deposited into ORA for Act on Acceptance was

Breakdown of ergodicity in quantum matter: from solids to synthetic matter by Prof Steven Simon and Dr Arijeet Pal from the Physics department, in Philosophical Transactions of the Royal Society A. Researchers are reminded that articles accepted since 1 April 2016 should be deposited within 3 months of acceptance. A deposit guide can be found on the Open Access Oxford website (<http://openaccess.ox.ac.uk/home-2/act-on-acceptance/>).
