

Harvard-style bibliography – some examples

NB: Arrange your list of references alphabetically by author.

The British Standard for Harvard puts authors' names in capital letters in the bibliography, and puts the initials of second and subsequent authors before their surnames

BAKER, C. and W. FISHER (2006)

Be consistent with using either a comma or a colon between place and publisher Amsterdam, Elsevier or Amsterdam: Elsevier.

Book (Take the information from the title page, not the book cover. Note the edition if not the 1st. Publication year should reflect the edition, not reprint year. If more than one place of publication, quote the first one).
