### New Access Gates

You probably saw the brand new gates as you entered the library last term. These are now up and running to provide extra security for all readers.

To enter (and exit) the library please hold your Bodleian card against the card reader on the gate until the light turns green. Don't forget to take your card with you if you leave the library to take a break.

At busy times there may be a queue as people tap to enter or leave the library, please be patient and don't be tempted to follow someone without tapping at the gate, an alarm will sound and it will close on you.

# Status: Relocating

This term you may notice some EFL items on SOLO with the status 'Relocating'. This status means they are temporarily unavailable while they are being sent to the books storage facility (BSF). Once they arrive at the BSF and have been processed they can be requested via SOLO and can be borrowed from the EFL. If you need to access a book which has the 'relocating' status please speak to a member of staff.

| Location  | Call Number | Description | Type / Status      |
|---|-------------|-------------|--------------------|
| English Faculty Library  |             |             | Loans / Relocating |

Opening Hours from January 16th to March 11th  
Monday—Friday 09:00-19:00  
Saturday 10:00-13:00

## OPEN ACCESS

### FILM COLLECTION

Our film collection is now open access so you can browse the cabinets yourself. The DVDs are organised by country first, and then by director.

## Don't forget!

All vacation loans are due back in first week. Check your account on SOLO and renew your books if you need them for longer.

## Standing desk area ready for use

To increase the type of study spaces available we have installed a new standing desk area. Designed to easily view manuscripts, this area can also be used by all readers who would like a standing desk with a sloped surface. The desk surface features a ledge to hold books or laptops in place. You can find the standing desk area in the DVD corner of the library.
