Easter vacation loans for both Undergraduate books and Research Collection books will start on Monday, 4th March. DVD vacation loans will begin on Friday, 15th March.

The number of Undergraduate books that can be borrowed will go up from 12 to 18 for the vacation. Other borrowing limits remain unchanged.

It would be appreciated if readers could settle any fines and return overdue books before borrowing for the vacation.

All vacation loans will be due for return or renewal on Wednesday, 1st May.

Have a great vacation!
