Page 2, Q9. Is there anything that you feel should be covered in Science and Medicine Dispatch which isn't at the moment?

1	None at the present.	Jun 6, 2012 9:57 AM
2	Updates on important new library acquisitions	Jun 1, 2012 3:29 PM
3	Highlight from time to time etiquette for improving personal e-security~ e.g risks of cyber-impersonation through leaving keyboards/touchscreens unlocked. Might you embed the key headlines in the email message itself, so that people can click straight through without downloading the pdf	Mar 30, 2012 11:23 AM

Page 2, Q10. Is there anything covered in Science and Medicine Dispatch that you feel is inappropriate?

1	Can you change the date so that it isn't back-dated anymore? eg we're in June ... and the latest S&M Dispatch has May on it!	Jun 6, 2012 10:51 AM
2	No	Jun 6, 2012 9:57 AM
3	The format is an e-version of basically a paper document: maybe you still do have a substantial paper distribution. But might you embed the key headlines in the email message itself, so that people can click straight through without downloading the pdf?	Mar 30, 2012 11:23 AM

2	Much of the information covered in the dispatch isn't new to me, as I have received notices through the month via email lists, but it is very convenient to have a short reminder once a month, and to have the information in one place.	Mar 30, 2012 8:20 AM
