Open Access training and help for April

To mark the go-live of HEFCE's open access policy, our OA team is providing the following support during April:

- Weekly drop-ins at the Radcliffe Science Library Tuesdays 4-5pm from 5th April to 14th June, in the Lounge area of the RSL Entrance Hall.

Do you want help depositing your work in ORA? Confused about 'Act on Acceptance' for open access and the next REF? Get one-to-one help with all things Open Access, ORA and Research Data.

- iSkills

Our next iSkills Open Access session is on Wednesday 20th April, 12-1pm at the Manor Road Building. Open to all members of the University. Covers Act on Acceptance and how to deposit, plus how to meet funder requirements such as RCUK and Wellcome Trust/COAF. Book at <https://courses.it.ox.ac.uk/detail/TZW7>.

Further training and drop-ins will be arranged for Trinity Term. Check the Open Access Oxford website (<http://openaccess.ox.ac.uk/>).

You can also contact your Subject Librarian or email our Open Access Team on openaccess@bodleian.ox.ac.uk.

Molymod

The Radcliffe Science Library now offers Molymod molecular model sets for general and organic chemistry - available from the Circulation Desk.

May Bank Holiday opening hours at the RSL

Please note that on Early May Bank Holiday (Monday 2nd May 2016) and Spring Bank Holiday (Monday 30th May 2016) the RSL will be open 8:30am-7pm.

Board games

Want a break from study? We now have board games in the Lounge, available for anyone to play.

- Games with an Oxford University theme
 - Dreaming Spires and Oxford by Degrees
- Traditional 2-player strategy games
 - Backgammon and Othello

Act on Acceptance

As many of you will be aware, HEFCE's new OA policy takes effect from 1 April 2016, and requires action by all researchers. In brief, the final peer-reviewed version of journal articles and conference papers must be deposited in an open access repository within three months of acceptance for publication if they are to be included in the next REF.

Act on Acceptance is Oxford's mechanism to help researchers comply with open access using our new quick deposit form via Symplectic Elements to deposit all newly-accepted articles and conference papers into ORA. More details are at

<http://openaccess.ox.ac.uk/home-2/act-on-acceptance/>.

World Book Night, April 2016

We are very excited that the all four Bodleian Health Care Libraries have been chosen as distributors of free books for World Book Night. The Health Care Libraries will have a selection of books to give out – keep an eye on our website www.bodleian.ox.ac.uk/hcl for more details.

World Book Night actually takes place on Saturday the 23rd of April, but we will be celebrating it on Monday the 25th of April. We will be distributing the books at the main entrances to the John Radcliffe, Churchill, NOC and Horton hospitals from 9am. We don't expect the books to last long, as we anticipate there will be lots of interest!

World Book Night is an annual celebration of reading and books which sees passionate volunteers give out hundreds of thousands of books in their communities to share their love of reading with people who don't read regularly or own books. World Book Night is run by The Reading Agency, a national charity that inspires people to become confident and enthusiastic readers to help give them an equal chance in life.

3D printing drop-in events in Trinity term

RSL staff will be on hand to advise on how 3D printing can be used in your research and what our 3D printers and scanners can do. See the equipment in action and try it out yourself!

Details can be found at <http://tinyurl.com/3D-events-RSL>

- Friday 6th May 2016
10am-1pm and 2-5pm
- Friday 10th June 2016
10am-1pm and 2-5pm

Isis Innovation drop-in sessions

Got an idea you want to commercialise? Come to a drop-in session in the RSL Entrance Hall Lounge to find out more.

- Monday 11th April 2-5pm
- Monday 9th May 2-5pm
- Monday 13th June 2-5pm
