

Rewley House Continuing Education Library Drama & Documentary list

This list contains details of Drama and Documentary videos and DVDs in the Library arranged by subject area. Videos and DVDs can be borrowed by readers with borrowing rights at the Rewley House Continuing Education Library, and can also be viewed in the Library.

'Dramas' are dramatised versions of literary works, many by the BBC. In some cases the Library also has feature films based on literary works. These are included on the separate Film listings. However, Shakespeare films are also included on this list as there are substantial holdings in both categories.

Videos and DVDs are not on the open shelves – please ask at the Library desk.
