Trinity Term
2018
Update

Don't have
time to
queue?

We've now put a book return box at the desk for those times when there's a queue but you just need to return some books. You can place into the box anything that's currently on loan to you and we'll check it in as soon as the queue has gone down.

**Opening Hours from
April 23rd — June 16th**
Monday—Friday 09:00-19:00
Saturday 10:00-13:00

Height Adjustable Desk

The library now has a height-adjustable standing desk available to any reader to use, you can find it at the top of the stairs. To adjust the height simply press and hold the arrow buttons on the front right of the desk.

Currently this desk does not have a PC on it, to allow readers to use their own laptops and spread work out on it, but we're looking for feedback—please let us know if you use this desk and you'd like a Reader PC.

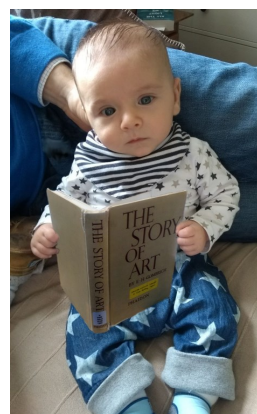

You'll also find an ergonomic chair with the desk which has a variety of different settings to allow for more comfortable sitting. If you require assistance with any of the new equipment, or have any questions, please speak to a member of staff at the enquiries desk, or email Jen (jen.gallagher@bodleian.ox.ac.uk)

American Antiquarian Society Historical Periodicals Collection

We now have permanent access to the previously-trialled **American Antiquarian Society Historical Periodicals Collection** (access via OxLIP+ page <http://oxlip-plus.bodleian.ox.ac.uk>).

The collection provides digital access to the full text of thousands of American periodicals published between 1684 and 1912, digitised from the collections of the American Antiquarian Society. Titles cover a broad range of subjects and interests related to every aspect of American life and culture, from politics to religion, science, law, literature and the arts.

Welcome to the newest EFL member

Congratulations to our Librarian in Charge Jo, who welcomed the newest addition to the EFL team on 26th January. As this photo shows, Aneurin is already enjoying the benefits of our extensive collection.
