

John Johnson Collection – pre 1960 ephemera

Aquarium index

Index created by JAL/April 2020

This index relates to a series of 17 volumes of Aquarium programmes, dating from 1876 to 1884. Vol. 1 (1876) only was [catalogued](#) and digitised as part of the [ProQuest project](#). Further Aquarium programmes in original John Johnson boxes have also been catalogued and digitised for the ProQuest project, notably in London Play Places 1 and Entertainments folder 13, which contains large items relating to the Royal Aquarium, including a run of large programmes for the Royal Aquarium on Japanese paper (1885-1890).
