

Tops Tips for Designing a Conference Poster

Dr Hannah McGivern

Outreach Librarian

Objectives of a Poster Presentation...

...to inform

...to display information clearly and concisely

...to be engaging and eye-catching

...to enable you to network

Audience

- Who is your audience going to be?
 - Conference – peers in your specialist field
 - Non-specialist audience

Layout

- Templates / Guidelines
 - Size of the poster (A0, A1, A2)
 - Portrait vs landscape
 - Font style and size
 - Colour palette
 - Word count
 - File type

Layout – Examples of Guidelines

Anaesthesia & Critical Care

...consistency and simplicity

Layout - Content

- Flow/sequence
- Break subject into key components
 - Clear title with authors and affiliations at the top
 - Introduction
 - Methods
 - Results
 - Conclusions / Future Work
- Expand abbreviations/acronyms first

Title

- Poster title vs peer-reviewed journal article title
- Short, informative and impactful
 - Engaging the audience

Names & Affiliations

- Similar to journal articles
- Lead author
 - Lead author e-mail address for delegates to contact
- Co-authors
 - Supervisors, collaborators, peers who have contributed significantly to the work carried out
- Affiliations
 - List affiliations below the authors
 - Use superscript numbers to assign an affiliation to an author (some authors may have multiple affiliations)

Content/headings

- Introduction
 - Summarise what your research is about in a few sentences
 - Why you are doing it?
- Methods
 - What did you do?
 - What techniques did you use?
- Results
- Conclusions
 - Impact
 - Future work

Images

- Diagrams
 - Introduction (context)
 - Methods
- Graphs and charts
 - Results
- QR codes – make your poster interactive
- Check quality of images (high resolution) – may have to convert to a different type of file e.g., .jpeg, .png, .tif.

Images

- Ensure you abide by copyright laws of images that are not your own

Advanced Image Search

Find images with...

all these words:	<input type="text"/>	To do this in the search box. Type the important words: winter hoarfrost
this exact word or phrase:	<input type="text"/>	Put exact words in quotes: "frost flower"
any of these words:	<input type="text"/>	Type OR between all the words you want: trees OR weeds OR grasses
none of these words:	<input type="text"/>	Put a minus sign just before words that you don't want: -windows

Then narrow your results by...

image size:	<input type="text" value="any size"/>	Find images in any size you need.
aspect ratio:	<input type="text" value="any aspect ratio"/>	Specify the shape of images.
colours in the image:	<input checked="" type="radio"/> any colour <input type="radio"/> full colour <input type="radio"/> black & white <input type="radio"/> transparent <input type="radio"/> this colour 	Find images in your preferred colours.
type of image:	<input type="text" value="any type"/>	Limit the kind of images that you find.
region:	<input type="text" value="any region"/>	Find images published in a particular region.
site or domain:	<input type="text"/>	Search one site (like sfmoma.org) or limit your results to a domain like .edu, .org or .gov
file type:	<input type="text" value="any format"/>	Find images in the format that you prefer.
usage rights:	<div><input type="text" value="all"/><ul style="list-style-type: none">allCreative Commons licences Commercial and other licences</div>	Find images that you are free to use.

References

- Limited number of key references
- Smaller text
- Check guidelines from conference for referencing style
- [number] in-text citations (usually) to connect to the references and make the flow of the poster easier to read

Acknowledgements

- Funding
 - Quote grant reference numbers
 - May need to allow time for someone from the funders to proof-read your poster prior to the conference
- Collaborations
 - Other academic institutions, industry, charities etc.,
 - Logos aligned along the bottom edge of the poster

Printing

- Allow plenty of time for your poster to be printed
- Oxford Medical Illustration
 - Website: <http://www.oxfordmi.nhs.uk/>
 - E-mail: medical.illustration@ouh.nhs.uk
- University of Oxford Print Studio
 - <https://estates.admin.ox.ac.uk/print-studio>
- Print A4 copies of your poster and/or business cards for delegates to take away with them
 - Display your A4 prints in a plastic wallet pinned to the same board as your poster

Presenting

- Speaking with delegates during poster sessions
 - Assigned times for delegates to be beside their poster to present to judges and others at the conference
 - Good practice to be by your poster at other times during the conference just in case anyone would like to speak with you
 - Developing presentation and public speaking skills
 - Networking
