

## **John Johnson Collection: pre-1960 ephemera**

### **Artists' Invitations index**

Index created by Jean Mirfield, April 2024

This section has not been digitised. It is catalogued:

<https://www.bodleian.ox.ac.uk/collections-and-resources/special-collections/catalogues/johnson/catalogue>

Extent: 11 boxes

Note: The Artists' Invitations are arranged by gallery/venue. This index is in two parts (Index of Exhibitors and, below, Index by Gallery). Both need to be used in conjunction with the catalogue entries in our online catalogue, which will give the box and item numbers. The numbers in square brackets indicate the number of items, not the box numbers.

The material includes private view cards and invitations to trade shows. Further ephemera relating to these can be found in Trade Shows (separate index)
