

## **John Johnson Collection pre-1960 ephemera Prospectuses of Journals**

The following is a list of those journals for which there are prospectuses or other background material (e.g. letters) in the sequence: Prospectuses of Journals.

This section has been catalogued and digitised (except material in copyright, which includes much manuscript material).

Catalogue records (only) can be found on the [John Johnson Collection online catalogue](#) Records and images are available through [The John Johnson Collection: an archive of printed ephemera](#) (JISC-funded project, partnered by ProQuest)

Extent: 53 boxes
