

John Johnson Collection: Johnson Adds Publishers' Catalogues (pre – 1970)

These publishers' catalogues were mostly transferred to the John Johnson Collection from the main Bodleian holdings and, notably, from English Accessions. The catalogues have been divided into pre – and post – 1970 catalogues. The latter are in the John Johnson Collection Modern Ephemera sequence (Publishers' Catalogues S1 onwards: search syntax: jj publishers catalogues JMBO S). Where publishers span both periods, they are listed as pre – 1970.
