Use of Oxford e-resources

Oxford subscribes to a wide range of e-resources, e-journals and e-books to support your research and study. Use of these is governed strictly by licence agreements.

Remember:

- E-resources may be used for study and research but NOT for commercial purposes
- You may NOT share your password or pass content from e-resources to anyone else
- Systematic downloading or viewing of excessive amounts of data is strictly forbidden

Failure to comply may result in:

- Referral to the University Proctors
- Publishers withdrawing content from the whole university

SOLO - Help (4)

The screenshot shows the SOLO search interface. The top navigation bar is dark blue and contains the SOLO logo, the University of Oxford crest, and links for NEW SEARCH, BROWSE, MAP SEARCH, HELP (highlighted with a white circle), and TAGS. On the right side of the navigation bar are icons for a clock, a location pin, and a SIGN IN link. Below the navigation bar is a large banner with a map background of Oxford. The banner text reads "DISCOVER THE UNIVERSITY OF OXFORD'S WORLD-CLASS LIBRARY RESOURCES". Below the banner is a search bar with the placeholder text "Enter your search here" and a "Search Everything" button with a magnifying glass icon. To the right of the search bar is an "ADVANCED SEARCH" button. Overlaid on the right side of the interface is a "Bodleian Live Chat" window. The window has a title bar with a green status indicator and the text "Bodleian Live Chat". It features the Bodleian Libraries logo and a text input field with the placeholder text "Type here to chat. Press ENTER to send." and a send button. A vertical "LIVE CHAT" button is also visible on the left side of the chat window.

The purpose of this guide

This guide is intended for students and researchers at the University of Oxford seeking support in Economics, although students and researchers from other fields may find it useful. Use this guide to find out about printed and online resources, including ebooks, ejournals, databases, and special collections for Economics.

Finding books for Economics

Oxford has a wide range of printed books for Economics, including the main collection in the [Social Science Library](#). It also offers an ever-increasing access to e-books collections.

For more detailed information on our ebook collections visit the [ebooks](#) page of this guide.

- [SOLO Library Catalogue](#)
Search SOLO for printed and electronic books at Oxford. You can search by author, title or subject and limit to a specific library or online resources.
- [SOLO user guide](#)
If you need help with SOLO, take a look at this guide for tips on searching, managing results and using your SOLO account.

Economics journals and working papers

The [Journals and working papers](#) page of this guide presents subscription collections and portals, which offer access to full-text periodicals and industry reports; it also provides information on working and research papers, a valuable source of speeding up dissemination and providing access to early stage research in Economics.

Below are a few of the top journals for Economics; you can find information on finding more Economics journal on the [Journals & Working papers](#) page of this guide.

Purpose of this guide

This guide is intended for students and researchers studying business and management at the University of Oxford, although students and researchers from any field may find it useful.

Use this guide to find out about books and online resources for business and management, including ebooks, ejournals and databases.

Finding books for business & management

Oxford has a wide range of ebooks for business & management and printed books, including the main collection at the [Sainsbury Library](#). For more detailed info about our book collections visit the [books page](#) of this guide.

- [SOLO](#)
Search SOLO, the University's resource discovery tool, for print and ebooks at Oxford. You can search by author, title or subject and limit to a specific library or online resources.
- [SOLO user guide](#)
If you need help with SOLO, take a look at this guide for tips on searching, managing results and using your SOLO account.

Key journals

A lot of journals, as well as being available in print, are available online and can be searched via SOLO or ejournals A-Z. Below are a few of the top journals for business & management but you can find more information on the [journals page](#) of this guide.

- [Academy of Management Journal](#)
A peer-reviewed academic journal covering all aspects of management. Published by the Academy of Management.
- [California Management Review](#)
A quarterly peer-reviewed academic journal on management. Published at the University of California since 1958.
- [The Economist](#)
An international weekly newspaper printed in magazine-format and online. It focuses on current affairs, international business, politics, and technology.

Databases: Data & Statistics

[How to find databases](#) [General data resources](#) [National/cross-national](#) [Financial databases & services](#)

[Trade statistics](#) [Market research and company data](#) [Historical statistics](#) [Browse Economics databases](#)

Oxford subscribes to many databases that are available to Bodleian users. In addition we list here some databases that are freely available to all.

The tabs at the top of this section take you to key Data & Statistics databases, and a link to a selection of browsable databases.

You can also search for specific databases, both bibliographic and statistical via [SOLO](#), but bear in mind that some key texts may be available via a database but not individually listed on SOLO.

Help with databases

For those seeking advice on accessing databases, we recommend the following guides:

- [Online and Remote Access](#)
Information on accessing Bodleian Libraries content remotely.
- [University of Oxford E-resources Blog](#)
The e-resources team use this blog to help keep you informed of news and changes in the world of ejournals and databases.
