Getting Started | E-Books & Online Reference | Journal articles | Data & Statistics | Digital Archives

Purpose of this guide

This guide is intended for students and researchers at the University of Oxford seeking support in Sociology, although students and researchers from any field may find it useful.

Use this guide to find out about printed and online resources, including ebooks, ejournals, databases, and special collections for Sociology.

Finding books for Sociology

Oxford has a wide range of printed books for Sociology, including the main collection in the Social Science Library. See below other libraries which hold Sociology books.

It also offers an ever-increasing access to e-books collections.

For more detailed information on our ebook collections visit the Ebooks & Online Reference page of this guide.

- SOLO Library Catalogue
  Search SOLO for printed and electronic books at Oxford. You can search by author, title or subject and limit to a specific library or online resources.
- SOLO user guide
  If you need help with SOLO, take a look at this guide for tips on searching, managing results and using your SOLO account.

Journals

The Journals page of this guide presents subscription collections and platforms, which offer access to full-text periodicals in Sociology.

If you want to search for and browse all journals the University subscribes to, you can do so through e-Journals A-Z platform, a full browsable list of e-journals available at Oxford, or SOLO Library Catalogue.

- e-Journals A-Z
  A full, browsable list of e-journals available at Oxford. Search the collection by title, subject, or citation.
